

# PATHFINDER TALES: CALLED TO DARKNESS

PATHFINDER SOCIETY ORGANIZED PLAY

**P**athfinder Tales: *Called to Darkness* has now been incorporated into Pathfinder Society Organized Play. This new option provides fans of the novels with an additional way to use content from the book in-game in a sanctioned format. Because of the differences between reading a novel and playing a game, this document outlines the specific rules for using sanctioned content from a Pathfinder Tales novel and provides a Chronicle sheet for players to use with their characters.

## HOW TO USE

Because Pathfinder Tales novels are stories first, there is no easy way to sanction items, spells, feats, or other special abilities whole cloth. Therefore, the *Called to Darkness* Chronicle sheet uses the following rules.

- Only items, feats, boons, or abilities found on the Chronicle sheet are legal for play.
- Each player must have a copy of the Chronicle sheet with his or her character at all times.
- In order for the Chronicle sheet to be considered legal for play, the player must show to the GM his or her copy of *Called to Darkness*, in either printed or digital format.

## ADVICE FOR USING PATHFINDER TALES CHRONICLE SHEETS

GMs are advised to work with players to make the sanctioning of Pathfinder Tales Chronicle sheets easy and fast. As long as the player has a copy of the book on hand, she should be able to use the Chronicle sheet just like any other.
