

Called to Darkness

PATHFINDER TALES™

BY RICHARD LEE BYERS

A DECEMBER 2012 RELEASE

Kagur is a warrior of the Blacklions, fierce and fearless hunters in the savage Realm of the Mammoth Lords. When her clan is slaughtered by a frost giant she considered her adopted brother, honor demands that she, the last surviving Blacklion, track down her old ally and take the tribe's revenge. This is no normal betrayal, however, for the murderous giant has followed the whispers of a dark god down into the depths of the earth, into a primeval cavern forgotten by time. There, he will unleash forces capable of wiping all humans from the region—unless Kagur can stop him first.

From acclaimed author Richard Lee Byers comes a tale of bloody revenge and subterranean wonder, set in the award-winning world of the Pathfinder Roleplaying Game.

Richard Lee Byers is the author of more than thirty novels, including the first book in R. A. Salvatore's bestselling War of the Spider Queen series. In addition, he is also the co-creator of the critically acclaimed young adult series The Nightmare Club. His short fiction has appeared in numerous magazines and anthologies, and his short Pathfinder Tales story "Lord of Penance" is available for free online at paizo.com/pathfindertales/serial.

Pathfinder Tales novels are standalone adventures written by some of fantasy's hottest authors and set in the Pathfinder Campaign Setting, the action-packed world of the best-selling Pathfinder Roleplaying Game. Journey through the setting through the eyes of canny warriors and flippant scoundrels, and see firsthand why the world of Pathfinder has earned three prestigious ENnie Awards for Best Campaign Setting.

Each Pathfinder Tales novel comes in mass-market paperback format and is distributed across North America by Diamond Book Distributors, with new volumes released every two months. You can also subscribe to the line to have each volume delivered directly to your door, with subscribers receiving a free downloadable version of each book they purchase, in both PDF and ePub formats.
