Fighting That Which Lies Between The Stars: You have faced the horrors of the Dark Tapestry and are one of the few who have survived the encounter with both mind and body mostly intact. As a result, you have developed greater mental fortitude against such cosmic horrors. You receive a +1 bonus on saves against fear and confusion effects.

Insight Into the Dark Tapestry: Your experiences at Carrion Hill have given you a greater insight into the creatures that lie in the darkness between the stars. You may gain one bit of useful information about a single aberration as though you had succeeded at a Knowledge check to identify the creature. When you have used this boon, cross it off the Chronicle sheet.
