**Lunar Liberator:** The Moonscar held numerous insidiously influential and politically powerful prisoners, and freeing those held captive by the demons of Dominax Annuli has earned you a wealth of indebted contacts throughout the world. When you would spend Prestige Points, you may reduce the final cost of a single purchase by 8 PP. This cannot reduce the cost below 0 PP. When you use this boon, cross it off the Chronicle sheet.

### IRON LASH

**Aura** strong necromancy; CL 15th  
**Slot** none; **Price** 90,335 gp; **Weight** 6 lbs.

#### DESCRIPTION

This +2 *cold iron bastard sword* becomes a +2 *unholy cold iron bastard sword* in the hands of an antipaladin sworn to the demon lord Noctacula. In the hands of a good creature, *Iron Lash* bestows one permanent negative level as though it were *unholy* while granting none of the associated benefits of the *unholy* special ability.

Once per day, the wielder of this sword can cast *finger of death* with a range of 60 feet, dealing 150 points of damage on a successful hit. If the target succeeds at a DC 20 Fortitude saving throw, the attack instead deals 3d6+15 points of damage. This is a death effect.
