SPECIAL ABILITIES

Challenge Once per day as a swift action, Hayato may challenge an enemy he sees. Until that enemy is slain, Hayato gains a +1 bonus on damage rolls against that enemy, but takes a –2 AC penalty against any other enemies. If Hayato is the target of a challenge or smite made by the target of his challenge, he also gains a +1 morale bonus on attack rolls and a +1 dodge bonus to AC against his opponent.

Katana Hayato's blade has the deadly quality. When used to deliver a coup de grace, the katana gains a +4 bonus on damage when calculating the DC of the Fortitude saving throw to see whether the target of the coup de grace dies from the attack. The bonus to damage is not added to the actual damage of the coup de grace attack.

Mount Hayato's horse, Jinfu, is extraordinarily skilled and loyal for a riding animal. He possesses the following statistics:

Size Large; **Speed** 50 ft.; **AC** 15; **hp** 17; **Fort** +5, **Ref** +4, **Will** +1;

Melee bite +4 (1d4+3), 2 hooves –1 (1d6+1); **Feats** Alertness; **Skills** Perception +8; **Str** 16, **Dex** 13, **Con** 15, **Int** 2, **Wis** 12, **Cha** 6; **SQ** low-light vision, scent

Mounted Combat Once per round when his mount is hit, Hayato may make a Ride check as an immediate action to negate the hit. The DC is equal to the opponent's attack roll.

Naginata This traditional samurai weapon has the reach quality.

Honor is strength. It is a maxim that Nakayama Hayato has known since birth, and one whose barbs he still feels deep in his flesh. After his banishment from distant Minkai for avenging his master's death against a rival noble, the samurai came to rest in the Inner Sea region. He operates as a fearless and talented mercenary—or ronin, as he terms it—for those whose cause seem righteous, yet refuses to bow to anyone regardless of status, saying only that he has had his fill of masters.

My soul feeds upon honor, and my blade on flesh. We will both gorge this day."

Resolve Once per day, Hayato can muster his resolve to perform one of the following actions:

Determined: As a standard action, Hayato removes the fatigued, shaken, or sickened condition from himself.

Resolute: Before making a Will or Fortitude save, Hayato may decide to roll two dice and use the best result.

Unstoppable: If reduced below 0 hit points but not killed, Hayato can remain conscious and upright, though he can only take a single move or standard action each round. He falls unconscious if he takes any more damage.

If Hayato defeats the target of his challenge ability, he regains one spent resolve.

* The effects of this ability are already calculated into Hayato's stats.
