

# PATHFINDER TALES: PRINCE OF WOLVES

PATHFINDER SOCIETY ORGANIZED PLAY

**P**athfinder Tales: *Prince of Wolves* has now been incorporated into the Pathfinder Society. This additional option provides fans of the novels with an additional way to use content from the book in-game in a sanctioned format. Because of the differences between reading a novel and playing a game, this document outlines the specific rules needed for using sanctioned content from a Pathfinder Tales novel and provides a Chronicle sheet for players to use with their characters.

## HOW TO USE

Because Pathfinder Tales novels are stories first, there is no easy way to sanction items, spells, feats, or other special abilities whole-cloth. Therefore, *Prince of Wolves* Chronicle sheets use the following rules.

- Only items, feats, boons, or abilities found on the Chronicle sheet are legal for play.
- Each player must have a copy of the Chronicle sheet with his or her character at all times.
- In order for the Chronicle sheet to be considered legal for play, the player must show to the GM a copy of *Prince of Wolves*, either in printed or digital format.

## ADVICE FOR USING PATHFINDER TALES CHRONICLE SHEETS

GMs are advised to work with players to make the sanctioning of Pathfinder Tales Chronicle sheets easy and fast. As long as the player has a copy of the book, she should be able to use the Chronicle sheet just like any other.

- ☐ *Corpselight Rapier* (21,320 gp; this +2 *undead-bane rapier* is ornate and covered with thousands of tiny spirals of Pharasma, with the tail of a single large spiral stretching half the length of the blade. Designed for hunting and dispatching the undead, the unsheathed blade glows when and undead are within a 60-ft. radius. Unfortunately, its antipathy with undead also acts as a beacon, and undead within 1 mile of the blade can sense its presence and direction, even when the sword is sheathed.)

**Prince of Wolves:** Your experiences with the Sczarni of the Prince's Wolves have given you insight into dealing with werewolves and other lycanthropes, and you are unphased by their bestial natures. You receive a +2 bonus on Diplomacy and Intimidate checks against lycanthropes. Additionally, the Intimidate DC for a lycanthrope to demoralize you is 2 higher than normal.
