Unidentified Unguent: You laid claim to one of the few intact flasks of mysterious alchemical origin in the laboratory. As a move action that does not provoke attacks of opportunity, you may apply or consume the substance to gain a random, short-lived mutation for 1d4+3 rounds. All mutations are supernatural abilities. Roll a d6 to determine the effects of the mutagen. On a result of 1 or 2, you rage as per the *rage* spell, but are sickened for 1 round after the effect ends. On a result of 3 or 4, your natural reach increases by 5 feet but you take 1d2 points of Dexterity damage when the effect ends. On a result of 5 or 6, you gain the ability to, as a standard action, breathe a single 15-foot line of acid dealing 4d6 points of acid damage (Reflex DC 15 for half damage) but dealing 2d6 points of acid damage to you when the effect ends. When you use this mutagen, cross the boon off the Chronicle sheet.

DESCRIPTION

This glass flask looks similar to the alembics used by alchemists to distill various liquids, but this one is framed in a delicate silver brace and the glass is etched with various arcane runes. The *arcanolembic* can be used to hold one potion. When a creature consumes a potion from the *arcanolembic*, the potion is treated as if its caster level were 2 higher than the usual minimum for a potion of its level. Placing a potion into the *arcanolembic* is a full-round action that provokes attacks of opportunity.

CONSTRUCTION

Requirements Brew Potion, Craft Wondrous Item, 5 ranks in Craft (alchemy); **Cost** 1,000 gp

LEVEL

Echoing Paradox: A trace of the magic of the Sanctum of Lost Ages clings to you, and against all odds and reason, a future or past version of you can appear to provide assistance in a time of need. Before you roll an attack roll, a skill check, or a saving throw, a copy of you appears either to flank with you or to grant you a +2 bonus as per the aid another action. If you have an ability that grants a higher bonus on aid another actions, you gain this as a bonus instead; the copy also shares all of your teamwork feats. After the attack, skill check, or save is resolved, the copy fades away, and you are shaken until the end of your next turn by the unsettling paradox of being at two places at once. When you use this boon, cross it off the Chronicle sheet.
