

do not count. If the creature is wearing shoes or other footwear, it gets a +2 armor bonus to AC. If the caltrops succeed on the attack, the creature has stepped on one. The caltrop deals 1 point of damage, and the creature's speed is reduced by one-half because its foot is wounded. This movement penalty lasts for 24 hours, until the creature is successfully treated with a DC 15 Heal check, or until it receives at least 1 point of magical curing. A charging or running creature must immediately stop if it steps on a caltrop. Any creature moving at half speed or slower can pick its way through a bed of caltrops with no trouble.

Caltrops may not be effective against unusual opponents.

**Candle:** A candle dimly illuminates a 5-foot radius and burns for 1 hour.

**Chain:** Chain has hardness 10 and 5 hit points. It can be burst with a DC 26 Strength check.

**Crowbar:** A crowbar grants a +2 circumstance bonus on Strength checks made to force open a door or chest. If used in combat, treat a crowbar as a one-handed improvised weapon that deals bludgeoning damage equal to that of a club of its size.

**Flint and Steel:** Lighting a torch with flint and steel is a full-round action, and lighting any other fire with them takes at least that long.

**Grappling Hook:** Throwing a grappling hook successfully requires a Use Rope check (DC 10, +2 per 10 feet of distance thrown).

**Hammer:** If a hammer is used in combat, treat it as a one-handed improvised weapon that deals bludgeoning damage equal to that of a spiked gauntlet of its size.

**Ink:** This is black ink. You can buy ink in other colors, but it costs twice as much.

**Jug, Clay:** This basic ceramic jug is fitted with a stopper and holds 1 gallon of liquid.

**Lamp, Common:** A lamp clearly illuminates a 15-foot radius, provides shadowy illumination out to a 30-foot radius, and burns for 6 hours on a pint of oil. You can carry a lamp in one hand.

**Lantern, Bullseye:** A bullseye lantern provides clear illumination in a 60-foot cone and shadowy illumination in a 120-foot cone. It burns for 6 hours on a pint of oil. You can carry a bullseye lantern in one hand.

**Lantern, Hooded:** A hooded lantern clearly illuminates a 30-foot radius and provides shadowy illumination in a 60-foot radius. It burns for 6 hours on a pint of oil. You can carry a hooded lantern in one hand.

**Lock:** The DC to open a lock with the Disable Device skill depends on the lock's quality: simple (DC 20), average (DC 25), good (DC 30), or superior (DC 40).
